

**Help Where
It's Needed**

**Caring For Our
Community**

Mission Statement

We Serve Because of the Need

In these days there is such a need for help in so many areas and that is why we are here. We serve those in need because of their needs. Because this is what our Lord would want us to do.

Matthew 25:35-40

Jesus said, **“For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.”**

...“ I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.”

How It Works

We receive items from local stores and distribute them to those who need it most. We at Hearts for Humanity provide services to as wide an area as possible.

Each day volunteers pick up and deliver food items such as bread, muffins, cookies, cakes, pies, along with occasional dairy & toiletry items to those who could use a little help with a never ending grocery bill.

We never know what or how much food that God will give us on any specific day to bless you with, but He has always proven faithful and His children's needs are always met.

As a responsible Non-Profit Corporation we have committed to a 90 / 10 model for spending. We spend 90% of what we receive directly on the programs we support and only 10% is used for administration.

No Obligation

There is never any obligation in order for you to receive assistance, it is just our good pleasure to provide it. Be assured that no one will ever call or come to your home without your expressed invitation.

Jesus teaches that all who choose to follow Him will express His “Agape” or unconditional love toward others. One of the ways we show that love is by feeding His children. You will find that we often have just what you need, when you need it.

We not only provide for your physical needs but can also provide your spiritual needs as well. Our delivery volunteers and other staff members are always available to you if you find that you have questions, prayer requests or would like learn more about services that are available to you.

God knows about you and cares for you.

In Times Like These

People from all walks of life are having a tough time making ends meet. Some are retired or disabled, striving to live on a fixed income. Others have a full or part time job, they work hard but just can't seem to ever get caught up.

Many are single parents and couples raising children and find they have to make tough choices between staying home or working only to end up paying out the high costs for day care.

Whatever our individual situations, we all agree that the cost of living is high, our bills have to be paid and our income goes out a lot quicker than it comes in. We could ALL use a little help with our food bills each month.

And that is why we are here. Our staff of volunteers wants to be able to help out in times like these, by providing a helping hand to those in need.

Getting Involved

We are currently in need of drivers who would be willing to commit to one or more days per week to deliver food to those who desperately need it.

Routes usually take only a few hours to complete. You do not have to come up with locations to serve. These will be provided for you and someone will show you how and where to deliver.

If you would like to become involved with this community outreach, please contact us. The time that you take to help others will be a blessing to so many by helping them to make ends meet. You will also find that it will be a tremendous blessing to you.

Please consider supporting this outreach with your prayers, volunteering or with your financial support. Thank You !
